WILMINGTON, MASS., THURSDAY, OCTOBER 28, 1971

FIFTEEN CENTS

THEY ARE TOPS

THEY'RE TOPS: The Field Hockey Varsity team of Wilmington High School, who have clinched the Merrimack Valley Conference title.
Front, L to R: Diane Rossi, Sandy McNevin, Carlene Butler, Co-Capt. Kathy Gillis, Roberta Pilcher, Co-Capt. Carol Cipriani, Joani Bellissimo, Linda McVicker and Andrea Silverman.
Rear, L to R: Coach Jan Cassidy, Elizabeth Godzyk, Lisa Pelletier, Donna Freeman, Cheryl Murphy, Karen Boeri, Martha Rounds, Patti Pintrich, and Liane Harvey. (Story on Page Two)

Gus, Higgy & others will march Nov. 7

Angus MacFeeley, 75, of Burnap Street, and Mrs. Madeline Higginbotham, 76, of Adams Street were all set for the Veteran's Day Parade, Monday. They intended to march the full distance.

Mr. MacFeeley is a Past Commander of the Wilmington Post of the American Legion, and Mrs. Higginbotham's husband was one of the founders of the Veterans of Foreign Wars Post. Both have been active in Veteran's affairs for years, and have participated in all Wilmington parades.

They didn't feel that a little rain should stop them from parading, but the powers that be felt so on Monday, so the parade was postponed to November 7th, which is to be a Sunday.

Higgy is celebrating her birthday today. She helped Gus celebrate his last Sunday, at Legion Hall, in what was not only a Surprise Party, for Gus MacFeeley, but almost didn't come off.

Gus really didn't want to go for a ride, as his son Tom was insisting. He felt it was better to sit and watch the Patriots - this while some fifty family members were waiting at the Legion Hall.

But, then there was a fumble, on the part of the Patriots, and Gus turned off the TV, in disgust. That's when Tom persuaded him to take that ride - to the Legion Hall of course!

BOBBY ORR MOVIE AT MEMORIAL LIBRARY

On Wednesday, November 3rd, there will be a showing of the movie, "Hockey: Bobby Orr and the Boston Bruins."

This will take place at the Memorial Library at 3:16 p.m., in the conference room.

The color film is a Warner Brothers-Seven Arts production, 28 minutes in length.

Litterers to lose Licenses?

It has been a great sport all summer for the young bloods - sit in one of the Town parking lots, drink beer or other refreshments, and then smash the bottle on the pavement.

In the past two weeks the Town trucks have been cleaning up - along Concord Street, in the Town Park, around Rotary Park (with the aid of a number of volunteer Girl Scouts and Cub Scouts) and around the North Wilmington Parking Lot. No one has added up the cost in taxpayers' money, but it may be over \$2000.

And Town Manager Sterling Morris has had it, as the expression goes.

Orders have given for signs, to be posted where the littering goes on. Those signs will warn that littering can mean the loss of a driver's license.

Persons found guilty of littering, Mr. Morris says, can, under the provisions of Chapter 270, Section 16, Massachusetts Statutes, be fined \$100 and lost their driver's license for one month, on the first offense.

And, he says, "I certainly am going to prosecute!"

SMOKE EATERS - OR EATING SMOKE. The old saw about Firemen being Smoke Eaters was a fact Sunday, when the Wilmington department was called to fight a blaze in the home of the DeFilippo family on North Street. The fire started while no one was at home.
On the ladder, with his head lost in the clouds of smoke is Fire Chief Arthur Boudreau. On the roof, with his head equally lost in a cloud is Fireman Silverio Blonigan.

Plastic Surgery for Phyllis Trefry

Mrs. Phyllis Trefry of Burlington Avenue is reported as being in fair condition, in the Massachusetts General Hospital. She underwent four hours of plastic surgery Tuesday, after an auto accident in Burlington had injured her severely.

Mrs. Trefry, one of the newer women of the Wilmington Traffic Supervisors was first taken to Choate Memorial Hospital, in Woburn after the accident, and then transferred to the Massachusetts General. She is now a patient in the White Building, there.

Marijuana Salesman Fined \$100

A 19 year old Tewksbury youth, Robert Cotreau of Brown Street, was fined in Woburn Court on October 21st for the sale of marijuana, in Wilmington. Justice Sartorelli imposed a \$100 fine.

The offense was supposed to have taken place in August, and Officers James Marsi and Michael McKenna investigated. Marsi arrested Cotreau in September. He had had a cellophane bag, full of marijuana, and was using the Town Park as a salesroom.

Cross Country Team

The Freshman Cross Country Team did their thing again last Saturday and surprised the so-called experts by winning the Wakefield Invitational Meet. The younger Wildcats turned in another super performance. Doug Spring was the initial Wilmington runner across the finish line, finishing fifth.

Other Wildcat runners in order of completion were: Carl Abel (10th), Mark Blaisdell (12th), Ian MacInnis (13th), Dave Cain (22nd), Tim Nee (51st), Peter McNaughton (55th), Jimmy Sugrue (58th), Bob Cain (66th), and Joey Thomas (77th). Spring and Abel were awarded trophies for finishing in the top ten, while Blaisdell, MacInnis and Cain were medal winners.

The first place trophy was the initial award won by a track and

cross country team in 29 years. It will be something that Coach Kelley shall cherish for some time to come.

The varsity ended its regular season of dual meets, bowing to Tewksbury, 19-43 last week. Capt. Rick Keane ran the best race of his career, second place, behind the Redmen's Gary Ballou. The Wildcats ended up on the short side of a 1-6 record.

Meanwhile, the upstart junior varsity squad won its fifth straight 22-33 behind the running of Spring, Abel, Kelley, Blaisdell and Cain. The win was the younger Wildcats sixth against one loss and it was also the initial set back for a previously undefeated Redmen javveteam.

Junior Bob Connors has been elected captain elect for the 1972 season.

A FAMILY AFFAIR: The Auxiliary of the Nee-Ellsworth Post, VFW recently inducted six ladies, of whom five were from the same family. It was a red-letter day for the ladies and for the Auxiliary.

Seated in front are two sisters, Anna Hamilton of Stoneham and Mary Fahy of Aldrich Road. In back is, Lillian Britt of Main Street, a third sister. With her are two nieces, Mary Bergeheim of Reading, and Ann Hadley of Aldrich Road. The last young lady, at extreme right, is Lorraine Lemieux of Nassau Avenue. Lorraine is not a relative, just a friend.

Girl's Field Hockey wins League Title

Coach Cassidy's eleven ripped Chelmsford, 3-0 on Tuesday

afternoon to clinch the Merrimack Valley Conference Field Hockey crown with a very impressive 5-0-2 record.

Last Thursday the girls posted a 1-0 win over Burlington to keep its unbeaten skein in tact, as junior Roberta Pilcher posted her fifth seasonal shut-out. The margin of victory came off the stick of junior forward Sandy McVevan early in the second half.

Traveling to Chelmsford on Tuesday, the girls dominated play throughout in posting their fifth seasonal win. Center Joani Bellissimo banged home all three Wildcat goals, with the actual game winner coming early in the opening half of play.

The varsity won the title this season on the strength of some excellent team play, both offensively and defensively. The defense Co-Captains Kathy Gillis and Carol Cipriani, along with Patti Pintrich, Carlene Butler, Cheryl Murphy and Nancy Ferguson gave goalie Roberta Pilcher excellent support throughout the season.

Joani Bellissimo was the top goal getter driving home six markers, while Sandy McVevan (3), Diane Rossi (2), Carlene Butler (1) and Patti Pintrich (1) were the other goal scorers.

Coach Garapey's jayvee set also finished the season on a winning note, posting a 4-0-3 record. The junior varsity squad belted Burlington, 4-0 behind two goal performances of Doria McMillin (her 4th and 5th goals of the year) and Paula Kavanaugh (her 2nd and 3rd) and battle Chelmsford to a scoreless tie on Tuesday to preserve their unbeaten record.

ESPOSITO KEYS BC FRESHMEN WIN

Former Wilmington High School football star, Mike Esposito scored 16 points to lead the Boston College freshmen over Holy Cross Freshmen, 47-6 Sunday afternoon at the Heights.

Espo scored twice, while booting four pat's and rushing for 104 yards in 26 carries.

JOANI BELLISSIMO SCORES: The winning goal, over Chelmsford, in Tuesday's game. Joani has just released the ball and it may be seen entering the near inside corner of the goal for a first half 1-0 lead.

Pop Warner

All three of the Charger squads were victorious this past week and now have a combined record of 13-1-1 which should auger well for the future. Last Saturday morning the undefeated (4-0-1) "C" team came from behind to knock off a previously undefeated Watertown eleven, 2-18 behind the quarterbacking of Mark Holloway (two td passes) and the running of halfbacks Ricky Ethier and Tim Moran. The boys hope to extend their unbeaten record to six tomorrow evening as they play host to a strong Malden Club. Kick-off for the "C" encounter is listed for 7 o'clock at Town Park.

The undefeated and untied "B" squad posted their fifth straight win with ease in Sunday's preliminary game at Saugus. Puncho Magee led the way with a pair of td's and Dave Rounds chipped in with one as the Chargers ripped Saugus, 36-6.

The "A" eleven parlayed a strong defensive attack in posting their fourth win against one loss, 20-18 triumph over Saugus. The older boys had to overcome 6-0 and 12-8 deficit to come out on top. A pair of safeties tied the score at 12-12 in the third period, with the two pointers coming on some excellent defensive work.

The boys went ahead to stay in the opening minutes of the final period on the strength of Bobby Aprile's five yard run and a Charger touchdown. The two point conversion attempt was successful by Les Peabody, and a 20-12 Wilmington lead. Saugus scored the initial goal in the

game from 30 feet out after taking a pass from left winger Bob Swisher. Aruda upped the lead some two minutes later (12:40) as headed in a corner kick by Simmons.

The varsity fell into its usual third period defensive lapse and the Rams scored goals at 6:57 and 10:23 of the second half to knot the score at 2-all. But, the boys were not to be denied in this crucial game as Decker booted home the game winner from 35 feet out front at 8:42 of the final frame and the Wildcats were back in the race.

Soccer

The Wildcats kept their slim playoff hopes alive with an exciting 3-2 win over second place Lynn Classical Tuesday afternoon. Coach Lentine's eleven is now 6-3-3 on the season with only two Northern League encounters left to play, including this afternoon's game with Methuen. The varsity concludes its regular season of play next Monday against the league leading Golden Warriors of Andover.

Last Thursday the boys romped over a sub-par Peabody squad to the tune of 7-0. The Wildcats dominated play throughout as they out shot the Tanners by a wide 21-5 margin. Center forward Ralph Decker led the way scoring four goals, while co-capt. Frank Simmons had his best scoring game booting home three goals. Other point getters were: Mark Kalkanajian, Bob Swisher, Wayne Croswell and Barry Aruda, each with an assist.

In a must game Tuesday the Wildcats jumped out to an early first period 2-0 lead only to have the Rams tie the score in the third stanza. Decker (9:40) scored the initial goal in the

High School Football

A sputtering offensive, and a blocked punt led to the Wildcat's downfall last Saturday as the varsity lost a 2-0 decision to the Red Devils of Burlington High.

The loss dropped the boys into last place of the MVC with a 1-3 record, while Burlington moved to within one game of conference leader, Dracut.

Coach Bellissimo's eleven won the statistics battle once again, but could not come up with the big play at the right time. The first time the Wildcats got their hands on the pigskin they marched 61 yards from their own 3 to the

Burlington 46 before fumbling the ball. This time it was a poor exchange between quarterback Bob Conlin and halfback Artie Bibeau which stalled the drive. The defensive unit held the Red Devils and got the ball right back but the Wildcats could not move the ball either.

Late in the second period the varsity took over at their 13 following an exchange of punts, as both team's offensive squads were having a difficult time moving the ball with any consistency.

In the third period the varsity controlled the ball for some eight

yards before running out of gas at the Burlington ten yard line. Bavota busted off tackle on the ensuing play from scrimmage and with Bavota's rush for the two point conversion Coach Muir's eleven was on top, 16-0.

In the third stanza the Wildcats put together a 33 yard drive of 13 plays before giving up the ball. The final period saw the second unit led by Dan Hurley run the ball with fairly good success. Along with Bavota and Butler, running back Jeff Willet and quarterback Bob Dorval played fairly well. Tomorrow the freshmen travel to Chelmsford to battle the younger Lions with a 3:30 p.m. kickoff listed.

THE BIBEAU SWEEP IN ACTION: Art Bibeau is shown carrying the ball around left end, in the first period, Saturday, for about five yards. Other Wildcats in the photo are Mark Jepson (45), Bob Conlin (15) and Ray Ventura (70).

DRUM MAJORS: About to strut, at half time Saturday in Burlington.

minutes moving the ball very well on one occasion from their own 15 to the Red Devils 24 before a pass interception ruined the drive.

The varsity returns to action this Saturday hosting the Chelmsford Lions in a 1:30 game at the High School Field.

The freshmen posted their second win of the season shutting out their counterparts from Burlington last Friday, 16-0. A 27 yard pass and run play from Carl Butler to Richard Anderson on a half back option put the Wildcats on the board early in the first period. Bob Bavota ran over from the three for the two point conversion and a 8-0 lead.

Later in the opening period Butler ran back a punt fifty-five

The Professor' Report and Others

The report of the 701 Program, by Professor Charles Eliot, is one worthy of being read and studied.

Of course he was well paid, and one thing that this column abhors is praising a person for doing the job he is paid to do - such as used to take up pages of the Town Report a few years ago, where each official would congratulate the others, all at the Tax Payer's expense.

Eliot has marshalled the facts, put them into order, and then explained them. The collection of the data was excellent. The editorial work was outstanding. One does not have to necessarily agree with the professor when one says the work is good.

It is to be compared with another report, given to a Wilmington committee this week past, and prepared by the Middlesex County Conservation District. The report is one of a Natural Resources Program for Wilmington. Somebody, or a group of somebodies, were paid by the taxpayers to do the work.

The report is hardly worth the paper on which it is presented. The facts are poorly marshalled, and the editorial work is such that one suspects the person who did it was using his left foot.

It is refreshing to be able to read such a good work as that of Professor Eliot, when one has to read such poor work as that presented by the Middlesex Conservation District.

A letter to Mrs. Coolidge

Dear Larz:

It never happens in Wilmington ??? I beg to differ with you. If you will check back to the graduating class of 1966 you will find that my son, Donald Coolidge, was a finalist in the National Merit Program. In fact, Mr. McMahon made note of it during the graduation ceremony when he presented the Rotary Scholarship to my son.

Your paper failed to make any mention of the fact at the time. I understood that Don was the first finalist the town had.

I also would like to thank Rotary for all they did for my son.

Sincerely
Mrs. Donald Coolidge

Both Mrs. Coolidge and the Town Crier overlooked one item, but the score is still the same - It never happens in Wilmington.

In the column to which Mrs. Coolidge refers, (a couple of weeks ago) there was a report that there was one scholarship award. It was not Mrs. Coolidge's Donald, and it was before he was a finalist. Donald, of course, was one of the more brilliant students ever to pass through the Wilmington Public Schools.

Now - if the reader please - just assume that the Town Crier has overlooked another - assume that there have been three Wilmington students in a decade to achieve the position of finalist in the National Merit Program.

In that same decade, in Winchester, there were approximately two dozen. The Town Crier did not count - but in one year the Winchester headline was that seven had been awarded scholar-

ships, and in another year the headline was that five scholarships had been awarded.

Three compared to approximately two dozen. That would mean, everything else being equal, that Winchester has eight times the population of Wilmington. Actually the population of Winchester is approximately twice that of Wilmington.

Another interpretation could be that the Wilmington students are stupid. That of course is ridiculous.

The point is that the highly intelligent students of the Wilmington Schools are being short-changed. They do not get the backing that is given their competitors in the Winchester Schools, in the Reading Schools, and in others. In Wilmington it is the stenographers and secretaries who get the backing of the School Committee - and the John Hancock building in Boston is filled to capacity with Wilmington girls.

It is time that the Donald Coolidges and others of his intellectual capacity got a little assistance from the School Committee of Wilmington. That, Mrs. Coolidge, is the point. There must have been a dozen who could have achieved the same status as Donald - but no one in the School Department or School Committee ever bothered to care about intellectuals.

The record speaks for itself.

Dear Larz:

The Pre-School Clinic conducted by the Wilmington Lions Club on October 16th is again history. Of the 500 children enrolled in the first grade, 292 were examined and 260 of these were found to have normal vision. Thirty-two other young people were found to be lacking in perfect sight but at this age there is a fine chance of correction.

There are so many folks to be thanked for their fine cooperation in this effort. The first people who come to my mind would have to be Dr. Davis and Tony DeLuca, our own Lions and Lionesses, Superintendent of Schools, Walter Pierce and his staff, and all the wonderful people who volunteered their time and services. We would be remiss if we did not thank the news media for all the valuable coverage. Also those parents of our young people who took advantage of this opportunity to have their Children's sight tested by this community service which was offered to all parents of First Graders.

In conclusion I would appreciate hearing from any of those parents who, for one reason or another, chose not to avail themselves of this service, particularly if they could suggest something that would make the service more acceptable to them.

Yours in Good Sight,
Lion Joseph H. App

Why?

SEVEN FATAL ACCIDENTS IN 13 YEARS: And Chief of Police Paul Lynch wants to know why. Motorists going south on Route 93 (background) zoom off the highway and into the Ipswich River, for some unknown reason. The latest to do this was a Woburn man, Sunday at 12:30 a.m. and the woman with him was killed. Chief Lynch is shown looking over the scene with one of the State DPW employees who were sent to rebuild the steel fence.

How Ralph got his window Busted

Ralph Allen, North Wilmington barber had one of the "usual" experiences of Wilmington business men during the past weekend, when the window to his establishment was busted by young people.

But it wasn't a rock that busted Ralph's window. It was a human body, being pushed, or being thrown, according to whichever version the reader chooses.

It was a big plate glass window, and the body of the youth went through the bottom half. The youth is very fortunate, police say, that he didn't get his throat cut when it happened.

Ricky Smallidge of North Wilmington, well known football player, is said to be the person thrown through the glass, Sunday evening. The report is that the young man was thrown through by five football players, names unknown to this paper, but all coming from Billerica, who reportedly were "teaching Dick a lesson".

REMEMBER WHEN.....

Joel Parks, an avid horticulturist named the street on which he lived, Floradale Ave., in honor of the "Burpee" Floradale Farm.

The Len White Greenhouse on Middlesex Ave. grew those beautiful carnations.

The B & M snow plows were kept on the siding near Shawheen Ave. Boys would tie the wire to the snow

plow bells and ring them, causing a little commotion in town.

Would some old timer know the origin of the name "Snow's Run", a side hill behind the Bedell and Bonnell homes on Burlington Ave?

It may have been a logging operation by a man named Snow.

The old barn, since torn down at the rear of the Henry Carter, (Currier-York) house on Shawheen Ave., with "Hoods Sarsaparilla" painted in large letters on the side, to be seen by folks on passing trains.

Old Belinda, the state ward lady who lived with Thursa Jaquith on Shawheen Ave., who went up on the wooded hill behind the house for blueberries and was never seen or heard of again.

Hattie and Maw Collins who lived on Shawheen Ave., and the Alexander Farm on Hopkins St.

YOUR Pharmacist SPEAKS

by Louise

What to do about insomnia?

First of all, stop worrying. Get your mind set on something pleasant. Spend a half hour before going to bed in mild recreation. Take a tepid bath. Open windows on the dark side of the house if it is not too cold out. Cool air tends to deepen sleep. Avoid light hitting your face.

Wear loose night clothes. Use sheets and blankets of sufficient length. Use a comfortable mattress and a buoyant pillow.

Insure your comfort long before zero-hour arrives for the best results.

Take heed of these worthwhile hints. Also make use of the fine service available at Silver Lake Pharmacy, 52 Main St., Call 658-4617. Open 9-10 Every day. Cosmetics including Clairol. Greeting Cards and Candies.

When tin snips and knives are your only tools for cutting tar paper, the mess which results will make you wonder if the project has been worth the trouble.

The black gum which tar paper leaves on cutting tools is a nuisance and is sometimes very difficult to remove. However, you can prevent the tar paper residue by dipping your cutting tool in water before each cut.

The water keeps lubricating the blade, and the tar paper can't make a mess.

Prevent trouble and make difficult jobs easy with help and materials from Sweeney Home Courtesy Center, 615 Main St., 658-2051. We have complete supplies of lumber including walnut, cherry, ash, oak and birch and a complete line of woodworking machines to handle any of your milling problems. Hours: 8 AM - 5 PM Daily, 8 AM - 9 PM Fridays. Personal service to the do-it-yourselfer. Charge with BankAmericard or Master Charge.

Helpful Hint: Hold a hand plane at a slight angle to the cutting line for best results.

YOUTH CRUSADERS: Planning Committee.

CRUSADERS YOUTH COMMITTEE ELECTS OFFICERS

The Youth Committee of the Crusaders held their election of officers on October 15th with Pat Dowling being elected chairman. Miss Dowling will be assisted by Billy Darling who will serve as treasurer and Susan Hinckley who will act as secretary.

The Youth Committee plans all the social activities of the drum corps and at a recent meeting scheduled a Halloween Party, a Military Ball (in December) and nights of ice skating, roller skating and bowling.

New members are most welcome, in fact necessary as each year the corps lose members. Anyone between the ages of 13 and 21, who is interested may call 658-8100, or attend the regular practice sessions held on Tuesday nights at the Woburn Street School, or on Sunday evenings at the Lowell Armory.

The regular schedule of practice continues all winter, and now music and marching routines are being started in preparation for the competition season next summer.

JEAN WAUGH SPOTLIGHTERS' PRESIDENT

Jean Waugh of 12 Wildwood Street has recently been elected president of the Wilmington Spotlighters for the 1971-72 season.

Jean was a member of the cast of the Spotlighters' first presentation "George Washington Slept Here", and has been one of the company's most willing workers.

Michael Harrington was chosen to act as vice-president and Mary Anne Ackerman and Ann Whitney will continue in their roles as treasurer and secretary. Elaine DePasquale and Carol Cooke will share the duties of publicity agents.

The Spotlighters' next production, "Absolutely Murder" will be presented soon at the Herbert Barrows Auditorium.
